The Challenge: Accessing Halal Food in Kobe

- **Difficulty for Newcomers:** Struggle to find Halal restaurants and grocery stores in Kobe.
- **Fragmented Information:** Lack of a centralized, reliable resource for Halal options.
- **Unverified Data:** Uncertainty about ingredients and Halal status creates stress.

The Solution: Kobe Halal Food Guide

- **Responsive Web App:** A "One-Stop" guide for Halal dining and shopping.
- **Smart Filtering:** Filter by cuisine (Japanese, Turkish, Indian, etc.).
- **Google Maps Integration:** Direct location access for easy navigation.
- **Admin Dashboard:** Ensures data remains accurate and up-to-date.
